

ANARE Ski Lodge is a Non-Smoking establishment.

Emergencies.

Enter the names of guests in guest registry (black with red trim) upon arrival so that in the event of an emergency, occupants can be accounted for.

- Problems with the lodge – gas, electricity water? Call the Booking Service: 1300 651 136
- All other emergencies refer to the Mt Baw Baw Alpine Resort Emergency Contacts listed on a separate sheet.

The Lodge.

- Be familiar with the exits at each level.
- See Fire Orders Plan on notice board for location of fire equipment - Fire hose reel at the middle level by the front doors, extinguishers are placed at middle and lower level, fire blankets at kitchen etc.
- Exits on middle and upper level have quick release latches.
- Smoke detectors are fitted.

Bush Fire.

- Tune in to ABC radio AM774, FM100.7
- Clear bark and leaves within 3m of lodge
- Fill water containers
- Dress up in wool or cotton to protect exposed skin from radiant heat.
- Keep in contact with Resort Management
- Follow directions from resort staff.

Building Fire.

- **Follow fire orders.**
- Leave the building quickly and safely by the roadside exits.
- If this is not possible use the downstairs exit or ladders at northern end to leave the building.
- Raise the alarm.
- Meet on the road at the front of the lodge, account for everyone and make your way to a safe distance from the lodge.

Only attempt to fight the fire if your safety is protected.
